Parent Information Meetings

Please note the September Parent Information Meetings scheduled in the Dates for the Diary. This provides a chance for you to meet with your child's new class teacher and be informed of expectations and systems. Any parent unable to attend will receive a booklet outlining information passed on.

FREE SCHOOL MEALS

As from September all children in Reception, Year 1 and Year 2 will be eligible to receive a free school meal. The kitchen is due to be re-developed over the summer holidays and we intend to host a few Taster Sessions for parents during the autumn term.
