We are very much looking forward to welcoming all of our new children and their families to Maple in September!

Each month the school compiles a newsletter for all of our families across the school and sends this to parents via ParentMail.

The purpose of this communication is to:

- share and celebrate with you some of the key events that have already taken place
- provide you with any information which we feel is useful to share
- provide key dates and events ahead of time

As the first Newsletter that you are receiving from us, we have just included some key dates for the new academic year, which we hope that you find are useful to have in advance.

Wishing you all a very safe and happy summer break!

Mrs Barwell

We look forward to welcoming our new children to Maple in September on their individually allocated days.

CONTACT OVER THE SUMMER BREAK

Please be aware that the school is closed over the summer break. If you need to make contact with us, please email the school office (office@maple.rbksch.org) as this address is monitored at times over the break; however, your email is unlikely to be answered before our return on Thursday 1st September.
