

Matthew James Estate Agent Boards

Dear Parents, Carers, Teachers, and Friends,

Show your support of Maple Infants with a Matthew James estate agent board advertising this year's Summer Fair

We are delighted that our longstanding sponsor, local estate agent Matthew James, is again supporting this year's Summer Fair. Matthew James give £15.00 to the school for every estate agent board they put up locally advertising our Fair in the weeks running up to the event. Signing up is quick and easy, and then Matthew James will do the rest.

Does the board say my house is for sale?

No! Worry not, the board just says:

Matthew James, Sponsors of Maple Infants' Summer Fair
11am-2pm, Saturday 29th June 2019

Do I have to put the board up?

No! A person from Matthew James will put it up (w/c 10th June) and then take it away again (w/c 1st July) without you having to do anything. You don't even need to be at home.

Will Matthew James pester me to sell my house or to have it valued?

No! Matthew James will never do this. They have sponsored the school in this way for many years without wavering on this point. All your information will be deleted after the event.

Please consider participating: it's a brilliant way to advertise the Fair and an easy way to raise funds before the doors are even opened.

Thank you for all your support,
