

PE & Sport Grant Report

2021 – 2022

Together we learn and grow

PE and Sport Grant 2021-22

The government has provided additional funding to each school annually since 2013 to support and improve the provision of physical education (PE) and sport. For this academic year (2021-22) the DfE have confirmed that they will match the funding provided for the previous four years in order to continue to support high quality provision of sporting opportunities for children in primary schools. The funding is ring-fenced and therefore can only be spent on ensuring that schools make additional and sustainable improvements to the quality of PE and sport they offer, although schools have the freedom to choose how they should do this. Ultimately this means that the premium should be used to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that are sustainable and will benefit pupils joining the school in future years

Maple Infants' School has received the following PE funding:

- £8750 for 2013/14
- £8895 for 2014/15
- £8810 for 2015/16
- £8810 for 2016/17
- £17,750 for 2017/18
- £17,770 for 2018/19
- £17,750 for 2019/20
- £17,762 for 2020/21
- £17,770 has been confirmed for 2021/22

At Maple Infants' School we recognise the contribution of PE to the health and wellbeing of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

We aim to improve the quality and breadth of PE and sport provision by:

- continuing to extend our PE provision and offering a range of PE opportunities for all pupils
- continuing to deliver inclusive high quality PE sessions
- increasing opportunities for pupils to take part in competitive sporting events
- increasing staff confidence and subject knowledge
- updating resources and introducing our children to a wider range of equipment and activities

Below is a table of planned spending for 2021-22.

'Impact' boxes will be completed at the end of this academic year and will review how each area of spending has benefited children and staff at Maple Infants'.

| Activity | Aim of provision and expected impact | Impact |
|--|--|--------|
| Kingston Schools Sports Partnership Membership (KSSP) £290 | <p>To secure and enrich the quality and breadth of PE and sport provision <u>and</u> to increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p><i>This will continue to provide the Subject Leader for PE with increased opportunities for CPD and networking with other PE coordinators from across the Kingston borough, including any feeder schools. This will be particularly important following the experiences of lockdown linked to the national pandemic. We would like to begin taking part in competitive activities again and this will be supported by our local partnership, especially as this is often limited for infant aged children.</i></p> | |
| Pleiades sports coach 1x day a week for Years 1 and 2 £7, 980.00 | <p>To secure and enrich the quality and breadth of PE and sport provision and make improvements now that will benefit pupils joining the school in future years.</p> <p><i>Every child within Key Stage 1 will continue to access weekly coaching from Pleiades Leisure, which will enhance and develop their skills and enrich the quality and breadth of the provision. Working alongside a sports coach has helped staff to develop their confidence and subject knowledge when teaching PE, so it is important that we continue to embed this confidence and skills. In addition to this the coach will be supporting staff to develop progression within PE teaching and we would now like to put into place our new PE yearly plan, to deliver the curriculum in a more effective way; which will support pupils in our school now and in the future.</i></p> | |
| PE scheme of work to continue supporting class teacher PE lessons. £280 | <p>To secure and enrich the quality and breadth of PE and sport provision and make improvements now that will benefit pupils joining the school in future years <u>and</u> to increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> | |

| | | |
|--|---|--|
| | <p>All KS1 and YR staff can continue to access a quality, inclusive and engaging teaching scheme that promotes mental, emotional and physical wellbeing. We aim for staff to be more confident in the PE lessons they are developing and continue to develop their own subject knowledge and pedagogy. We aim for our staff to feel inspired by an array of fresh and new ideas to motivate the children to be happy and healthy. This programme includes clear planning, child friendly online resources and an emphasis on all children working to the best of their own ability.</p> | |
| <p>Supply staff to cover the PE lead £1000</p> | <p>To secure and enrich the quality and breadth of PE and sport provision and to increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p>We aim to give the children at Maple Infants' the best PE experiences that we can therefore it is essential that we put in the time and effort to thoroughly organise what learning they will be taking part in and ensure the equipment they are using is of the best quality. It is important for our PE Leader to stay up to date with the newest information and initiatives so that this can be cascaded to all staff and will enable our staff team to confidently teach and support all of our children to be happy, healthy, people physically, mentally, socially and emotionally.</p> | |
| <p>Variety of resources to update worn out equipment and to ensure quantity for whole class teaching £ 2000</p> | <p>To secure and enrich the quality and breadth of PE and sport provision.</p> <p><i>We will be able to continue updating our equipment and providing high quality PE session with good quality and safe resources for the children to use. This equipment will allow for an increased variety of activities that children can take part in and will be essential in our plans to promote enjoyment and further the physical fitness of all of our children following the national pandemic.</i></p> | |
| <p>Maple staff PE wear £300</p> | <p>To secure and enrich the quality and breadth of PE and sport provision.</p> <p>Staff will continue to be provided with quality sports clothing to be used when teaching PE. This promotes to the children the importance of</p> | |

| | | |
|---|--|--|
| | wearing the correct clothing when taking part in physical activity and enhances the importance of this subject area. They will also be key for staff to wear when taking children to represent Maple at sporting events and to be easily identified at sports day. | |
| Teddy Tennis coaching Reception £3000 | <p>To secure and enrich the quality and breadth of PE and sport provision and to increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p><i>The children in Reception will experience high quality tennis sessions throughout our Spring and Summer terms. Teddy Tennis exposes pupils to another sporting activity that will inspire their interest and develop key skills such as balance, co-ordination and core strength. As well as developing sportsmanship, perseverance, turn taking and listening skills learning a new skill will also support the children to develop their strategies to self-regulate their behaviour.</i></p> | |
| Refurbishment of the front garden area into a physical trim trail and nature area. Funded partly from the PE budget and partly by the Friends. £15,000 | <p>To secure and enrich the quality and breadth of PE and sport provision and to increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p><i>We would love to create another area in our school for our children to enjoy and take part in physical activity as well as developing the aesthetics of our outside area. We aim to create a natural space in which children can challenge their physical abilities such as climbing, landing, balancing and jumping by accessing the trim trail. This space can be a key feature of our school that can cater to the needs of all children and provides an inclusive resource.</i></p> | |
| Street tag – getting children active initiative. Tbc | <p>To increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p><i>We aim to inspire the wider community to take part in more physical activity therefore we are interested in signing Maple Infants' School up to join this event currently being played widely in the Borough of Kingston.</i></p> | |

| | | |
|--|--|--|
| | <p><i>This will encourage families to access many of our local parks and play areas so that our students can earn points for our school team.</i></p> | |
| <p>Enrichment activity Tbc</p> | <p>To increase participation in PE and Sports so that all pupils develop healthy lifestyles and reach performance levels that they are capable of.</p> <p><i>Our community is acutely aware of the challenges, which schools and their pupils have faced throughout the last year and continue to face. Previous safety measures in place have affected our ability to provide the wide curriculum enrichment, which we typically strive to achieve. We therefore want to provide all children with an enjoyable enrichment activity, which will promote being active and using key physical activities in a fun way. We are also acutely aware of the importance that physical activity has on emotional and mental well-being and we aim to use this opportunity to inspire children and their families into continuing to take part in exercise and other enrichment activities.</i></p> | |
| <p>£17, 149 carried forward from 2019/20 academic year. Total to spend for 2020/21 = £34,919</p> | | |
| <p>The total spend for academic year so far: £ 29,850</p> <p>Remaining budget for 2022/23: £ 5,069.00</p> | | |
