

PE funding 2013-2014

What is the Sports Premium?

The government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at Maple Infants' that will mean around £8750 a year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses of the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- New or additional Change4Life sport clubs
- Paying for professional development opportunities for teachers in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

At Maple Infants' School we recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

After school clubs		
Day	Year Group	Website
Monday - Karate	1 & 2	www.jardinekarate.com
Tuesday - Dance	R, 1 & 2	www.dancedirection.net
Wednesday – Teddy Tennis NEW	R	www.teddytennis.com
Friday - Funsport	1 & 2	www.pleiadesleisure.com

The governors agree that the money must be used so that all children benefit regardless of their sporting ability. We will continue to place a high priority on our PE provision and, as such, have invested in additional staffing/coaching and resources to further enhance the PE curriculum.

Our Sports Funding allocation will enable us to continue and extend our provision through employing more sports professionals to work alongside and train staff to deliver in-house quality PE sessions.
