

PE Funding 2014-2015

Following on from last year, Maple Infants' School has been awarded a further £8895 to continue to improve the quality of sport and PE for all our children.

At Maple Infants' School we recognise the contribution of PE to the health and wellbeing of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

The governors agree that the money must be used so that all children benefit regardless of their sporting ability. We will continue to place a high priority on our PE provision and, as such, have invested in additional staffing/coaching

and resources to further enhance the PE curriculum.

Our Sports Funding allocation will enable us to continue and extend our provision through employing more sports professionals to work alongside and train staff to deliver in-house quality PE sessions.
