

# World Food Festival 2019

Friday 29th March 2019, 5pm-7pm, in the School Hall

Dear Parents and Carers,

We are delighted to invite you to join us at World Food Festival. This event marks the end of the School's Multi-Cultural Week programme, during which the children will be learning about different cultures from around the world. World Food Festival is a chance for everyone to come together, adults and children, to share food from the different cultures that make up the Maple Infants' community.

World Food Festival is an informal event where parents/carers make a dish of food from their culture and bring it to the school hall to share with others. Everyone is welcome to come along with their families to have a taste of the fare on offer, and to bring their own contributions.

All dishes must be **NUT FREE** and clearly labelled with a list of ingredients (see the slip below) so that those with allergies can enjoy this event safely.

Food that does not need refrigeration can be dropped off at the school office between 9 and 9.30am or on Friday 29th, or it can be brought straight into the Hall from 5pm onwards.

There is a voluntary door fee of £2 per adult, £1 per school-age child and The Friends will be running a soft drinks stall. There will also be a table set up with some children's activities.

We hope you will join us to celebrate Maple Infants' diverse community.

## The Friends of Maple Infants
